Especially after the wild beasts of Appalachia, Fallout 76 has plenty of ferocious beasts to explore and hunt. The broken beauty of West Virginia. Additionally, Fallout 76 allows players to modify their weapons to enhance their abilities and maximize their performance. To make things easier and more realistic, the developers have added weapon stripes that define the general attitude of the weapon. Not only that, but it gets worse over time. Also Read: Best Fallout 76 Weapons Best Fallout 76 Fixer Weapons The first entry in the list of best Fallout 76 weapons will be the fixer. This is an illegal shotgun that deals decent damage to enemies. This is an amazing weapon for those players who are looking for a stealth action game. Even if it looks like a battle rifle. However, the base damage is increased by 20%, making it more damage per shot than other battle rifles. Fixable, if you look at the stats, 33k fixed, damage that can put various enemies in trouble. It's no wonder why players have some of the best weapons in Fallout 76. Meanwhile, there are 4 weapon variants, the first of which is a 20 character. This means that this weapon can only be used after frog level 20. higher level variants are activated by leveling up the game character. In addition, the weapon also has additional effects that can go a long way in building the character you want to follow in the game. These effects include a stealth bonus that can aid in deception without revealing the disguise. Additionally, this weapon has a unique speed effect that allows players to move faster while sneaking. The best way to get this rifle is to complete the story quest "Wolf in Shafkells". There is another repairman's rifle that you may want to have and it is known as the Repair Plan. This is a document element that allows players to editWeapons weapons. The first placement of the mission Kurt Queep Clothing Mission will not be an easy task. This is because it has a random effect that changes depending on the player. You will have to fill in an encrypted public action to increase your ability to obtain. This opened the castle only when you finished the Lowe-Le soil. These tasks can be really unpleasant, but in the end it is worth the effort. A big storm, this weapon is exactly what shows the name. Especially when you need to mix enemies, you really don't want to miss it. The perfect storm is a 10 mm machine gun compensating for the best 76 early weapons. Not only beginners, but also a strong weapon for players at a higher level of the game. The perfect storm is the best aspect of this weapon that it has a legendary effect, so it is strange in the game. Players with at least 10 characters can take this weapon by performing a task called "cold material". Now it's a data mission that you have to complete in Willar Park. The starting point of cold tasks is 14 values of the main weapon, such as statistics. In fact, you can increase weapons options, but since you've previously purchased or at level 10, maybe wait a little to unlock the weapon fashion. First, this weapon has a unique legendary effect, which leaves a total of 24 fire injuries after taking a goal. Since this aspect of early level players is a lower machine to kill enemies. In addition, the abundance of ammunition is 10 mm around the appalachia. So sometimes you don't have to worry about ammunition. As for Fallout 76, the best weapon in a short net, the ski sword is never an exception. The look may not be attractive compared to another damage game. In principle, it is made of Ski of the Alps made from a company known as skiing. However, the ski sword, which is obviously missing, consists of brutal damage to enemies. Ski ski sword is one of the best Fallout 76 weapons statistics. Players can take this weapon with a requirement to a minimum level.makes a powerful melee weapon in the player's hand. Moreover, it is not difficult to find this weapon. One particular variant you should watch out for is Rose the Robot from the Raider Cutthroat group. This can only be unlocked by completing the raider questline. Additionally, this particular variant has a great legendary effect that grants +1 Strength when taken. However, if you're not at Perk Point, you can also get the basic version of the sword at the Sunnyside Ski Lanes main lodge. This location is located northeast of Vault 76. This approach makes it difficult to defeat a large number of enemies, as this location is overrun by super mutants. Sunny Top Ski Lanes Base Lodge is even worse, one of them will have a Fatman rocket launcher. In this case, you will need to prepare the best weapons to remove them. When you are done with the super mutants you will need to go to the front of the building and go to the left side of the building. Along the way, there are also clever spiked traps, one of the defenses created by super mutants. Cross the road and go up the stairs, where you will see a starfish with a ski sword that you can pick up. Sledgehammer Fallout 76 is more brutal than the previous RPG series. Now the game allows players to use any item that can be turned into mace weapons. Also if you're looking for something specific, then the Hammerhead is just what you need to shed the blood of your enemies. Sledgehammer This Skull Smasher is an accessible weapon that deals heavy damage to enemies. Plus, it's an excellent choice for the Urters Psychopath character, which further enhances the gameplay. The basic variant of the weapon deals 43 damage, more than any other entry-level weapon. Despite being the best weapon in Fallout 76, the Sledgehammer is relatively easy to obtain and requires level 10 damage to register on the enemy, it's considered the best melee weapon. Combat Knife The knife can be an essential part of your melee weapon, it's definitely your secondary if not your primary weapon. The combat knife, in particular, is the best melee weapon in Fallout 76 and reloads faster than any other weapon type, brutallyThe situation in Fallout 76 can always worse with the fact that your character is the weakest person living in a room full of enemies. In the meantime, the battle knife can prove its spare weapon with superior functionality and faster operation. In addition, V.A.T.S war knife requires less AP, so you can definitely rely on this weapon to do dirty jobs in the wild Appalachia. Battle Knife is available for players at level 1 and damages 9 enemies. If it doesn't look like a secondary weapon, you should definitely think for more power. Players with a fighting knife are suitable for +5%power. This allows you to cause more close fighting damage and also increase your transfer weight to take sweet spoils wherever you go. There are many places to rub a knife. Arkots Pharma is one of the best places in the game. Here you will find a battle knife at the reception of the building near the terminal. Otherwise, you can visit another place known as the Charleston Capitol building. You will only find a battle knife at the reception in the DMV area. Arkots Pharma is about all supplements, hammer, all supplements are a stupid hammer that finishes the enemies with a single stroke. If you are wondering why he is separated from the original hammer, the main reason is the legendary effects he provides. As a middle-end player, you can think of weapons with legendary effects with less effort while fighting stronger enemies. In this case, any growth is an ideal close fighting weapon option to help players in critical close fighting. All Sledgehammer players take this weapon at level 30 and a basic weapon level that causes 65 damage. Not only that is not +5 %power and 90 %reduced weight breeze. What makes this weapon extremely strong is a heavy rocket mode. This mode increases the thrusting of the weapon, so it causes more damage to the enemies. In addition, there will be two fifty-one weapons with slow speed. However, it does not affect your game because it records great damage. However, if you use the energy armor, you can use it as a single -fifty weapon and greatly increase the dealing speed. If you want to buy this weapon, you should go to Watoga.It is located on the eastern side at the bottom of the map. Once you get here, you'll hear a radio transmission that will force various targets. This will be a detailed story mission, so you may need to complete it and eventually level it all up as a reward. Watoga Municipal Center Dragon Fallout 76 is another rare weapon dragon. This is a black powder gun, so it's unique and rare in the game. The Black Powder Rifle will look like the stock variant, but it has four barrels. In addition to its antique appearance, the gun can destroy enemies with heavy damage. Dragon continues, this weapon has some of the craziest stats out there. .50 caliber ammo, with a combined 4-barrel shot, the dragon does a total of 200 damage. However, there are several disadvantages. First, it takes more than 10 seconds to reinstall and reinstall. The second is a weakness and can wear out easily after a war or two. As mentioned above, Fallout 76 is a unique and rare item and is almost available. One of the best ways to do this is with a nuclear surprise at the Smart Choice machine in Watoga. It takes 35 levels but is completely random. In that case, you can go to Fort Defiance and try a different approach. Here you'll have to make a public turn in the sand and fight a wave of 3 Scorched and Scorchedbeast. The objective will also be to defend the Sound Generator in this location. All you have to do is kill the Scorchedbeast and loot the body. One of the incinerators will be wearing a dragon weapon, otherwise you can go back and try again later. If you're looking for an explosion in the Fort Defiance Auto Grene, the automatic grenade launcher you need in Fallout 76. The automatic grenade one of the best weapons in Fallout 76 exceeds the player's expectations thanks to its heavy character structure. This heavy weapon destroys enemies in front of you. The grenade that this weapon throws shows 107 points of damage in the blast area. However, this can really be increased with some extra like weapon mods and destruction experts for your character. Players who are at least level 40 can pick up this weapon. Although this weapon is a mass slaughter, it is strongly recommended to use it in open areas so as not to hurt your character or your companion. With a sufficiently fixed range and an accuracy that, along with automatic mechanics, allows you to set up areas with significant explosions. There is neither a manager nor fixed place to receive this weapon. The only way to get it is to kill wizards and super mutants. These enemies carry this weapon by accident and players can destroy their body. The Voice of the Pistol Set has always been the star of the Fallout series. Meanwhile, when it comes to Revolvers, it turns out that the best weapon known as the SET voice was offered by Fallout 76. It is an ideal non -autually and cruel revolver with beneficial properties for all types of players. Seth's voice, even if you are not interested in using it as a main weapon, you may need to use it as additional weapons to get out of a critical survival situation. This weapon actually causes great damage to 60 enemies from meat and 35 robots enemies that move from Protectrons to the aircraft. One of the best things in this weapon is its appropriate background and history. Players have to find this story with weapons looking for secrets. Riverside manor players should be at least 25 levels to get this weapon. Given this actual, it is easy to get a weapon, which is well offset by newcomers. Like most other weapons received as a reward, a voice kit is presented in the search for "prototype problems". During this search, you will need to use the creator of a mysterious order to get this unique weapon. Death death mitte death nails are an irresistible weapon of a close fight that pulls the intestine out of enemies. Whether it is enemies from the body or robots, there is a death nail glove to cut any part of the enemy's body. This weapon causes 45 brutal damage, immediately killing low-level enemies. Death Nail Glove, If you are too dependent on your loved ones' combat weapons or you are focused on creating a fight against combat characters, this weapon can be the best accessory for your game's main weapon. This improves your game experience by offering your hands. Even when everything is worse, with a death nail in the glove of the character's hands, the enemies will never get alive. The times of the appalachic ancient are death gloves located in the nails of death, the places of caught. However, the best place where you can buy this weapon is the Appalachian antique items. All you need to doHowever, this is only possible for players level 30 and above. Lever Rifle The lever rifle appeared in Fallout 4, but is back among the best PVP weapons in Fallout 76. This weapon is not only a satisfied enemy killer, but also the best player of PvP game modes. Lever Rifle Lever Rifle deals 65 fatal damage to the base variant. A great weapon with a lot of damage in the common .45 ammo. This weapon is easily found at level 25 and can be modified to increase the damage to 75. Also, this weapon is easily found in abandoned spam. It is in the far east of Deathclaw Cave. By the way, if you're also looking for the Level Action Rifle blueprint for installing weapon mods, you can purchase it from in-game vendors at Grafton or Welch Station. Abandoned Waste Dump Spear If you're one of those players who loves ammo and energy weapons, the spear is the best medieval weapon to get up close and personal. Although the spear is a unique weapon in Fallout 76, it offers a unique gameplay experience. This is due to the creation of a two-handed mechanic and a weapon with a sharp blade attached to a wooden handle. Spear While this may seem like a weak weapon with 43 base damage and a level 15 requirement, the spear is a godsend for all types of players. Also if you're focusing on building a two-handed character, this weapon can help make it your primary weapon. Also, this weapon provides a unique action animation with every shot, so the spear will never get old and will never repeat itself in the story you follow. However, this melee weapon is not part of the game's questline reward system. You can get it from burned enemies and other spawn points. One of the famous places is the residence of Dane's sons. The spear is easy to find on the left side of the bathroom on the second floor of the building. Sons of Dane Combo Assault Rifle Assault Rifle is a classic weapon found in all other games. By the way, Fallout 76 players primarily consider the best Fallout 76 Wastlanders weapon. With its 5.56 mm bullet and medium rate of fire, it is an ideal weapon to take down enemies. Assault Rifle This weapon is an offensive and can assistKill all long enemies. The level of the basic weapon is available to players at the age of 30, which is detrimental to 26. This may not look too big for guns. However, at 40 speed, this weapon can easily be the first player choice. If you are a medium-level player and are looking for weapons with great harm, it is advisable to choose the unique version of this weapon. Indeed, not only higher damage, but also legendary effects that increase scorchedbeast and scored damage. In addition, if you have reached a critical level of health, you will get more harm. When it comes to location, you can buy this powerful rifle from the harpers -ferry. Since the front door is protected by the terminal, you will need to enter the back position. Go to the top floor of the building and enter the room with metal shelves. Here you can see the attack rifle around one of the shelves. Pistol Pistol of Harpers Ferry Fink is the best word spin-off 76 Wastlanders-Alder weapon. Since the release of weapons, this heavy weapon has always focused on the player Fallout 76. Fire 114 and due to legendary effects, this weapon can be a great choice for both beginners and experienced players. The final word of the arms is used by 0.50 call tours and will appear to players with at least 25. In addition, this weapon allows you to cause 29 damage that can be really increased through weapon modifications. The best in this weapon is the legendary effects. Players with this weapon can benefit from +250 resistance by reinstalling weapons. Now it is useful because it takes time to reinstall heavy weapons. In addition, due to the legendary influence of the armor perk, players will be able to cut 50% of their armor and spoil more enemies. You can pick up this weapon by performing a task known as "thicker". Here you will have to rescue Beckett, who rewarded players with this best legendary weapon sprinkle 76. Grognik White, which is slightly barbaric than its enemies in the game, can satisfy your longing for bloodier murder. Clogg Toraj causes Fallout 4, and it has always been the best series weapon. Lot ofBuild barbarian characters around weapons and continue the unique storyline of the series. Additionally, the Grognik Ax has one of the hardest stats for a melee weapon. Grognika's Luke is highly offensive and deals a massive 65 damage. Like the combat knife, this melee weapon has a force effect that grants weapon damage and extra Scrum weight. Although it is a two-handed weapon with a slow swing speed, However, with such significant disadvantages and advantages, this is an important acquisition. Unfortunately, this is a rare occurrence in Fallout 76. Players who have reached at least level 30 can obtain this weapon by killing a legendary enemy in the Wild Virginia westerns. This can include all kinds of legendary enemies. Whether they are ghouls, juveniles, or glowing, the more likely you are to experience a legendary drop. M2 50 InCh The M2 50 InCh is perfect for commando characters who just want to hit enemies with firearms. This weapon will be an important entry point in players inventory. But it's worth it considering the best weapon in Fallout 76. Especially for character builds that require the use of heavy weapons, the M2 50 Cal is just what you need as a lost soldier in giant apparitions. 50-inch M2 Machine Gun The 50-inch M2 machine gun is available to players level 25 or higher and increases heavy damage by 29, increasing in .50 calibers. What's so special about this machine gun is that it can easily transform into any character with all the perks and features. This means you don't have to do it to meet the character build requirements. Additionally, this weapon is quite easily available in many places. One of the best places for players to get their best game is the Clarksburg Shooting Field. Here you need to go southeast from the shooting range and take the long way. After a few sprints, you'll fall back onto an abandoned turret truck. This turret will have an M2 50 inch that you can pick up yourself. The Clarksburg Proving Ground Plasma Grenade for walks in the wild Virginia Western look is as dangerous as it is distracting in its beauty. There are always different types of enemies hiding under lakes and unstable rocks. In this case, you will not only need a firearm or a swinger to protect yourself from enemies. You'll have to go a little further and plan hikes with explosives like plasma grenades.Grenades lights up, use a plasma grenade. This explosive weapon can cause huge damage to 200 units, ballistic and energy. The dark blue color not only makes plasma in Fallout 76 with the best weapons for battles between players. Unfortunately, this ballistic weapon is very rare and there is no guaranteed access or where you can get it. However, one of the effective ways is to create these grenades using a plasma pomogno drawing. This can be rewarded for performing a number of work on personal matters or earthworks. If you still can't get a plan, you can consider the possibility to organize a Christmas event. There is a relatively high probability that a rare plasma grenade plan will turn out in this event. This event will end in 2022. On January 4, let it consider. If you are playing on a PC platform, you will also find a plan for some cheap providers. In short, Fallout 76 has many ways to win this sweet explosive holiday. There is nothing better than Gatling's pistol to feel the power of a heavy weapon that can perfume your enemies. Gatling's pistol is a strong weapon with a large launcher that demolish enemies of the head. This is the ideal weapon for tanks that use supportive armor and depend strongly on V.A.T.S. Gatling Pistol Pistol Gatling is available to players, starting with the 20th level. This means that novice players can get into their hands the basic version of this powerful weapon, which applies 43 units of damage. This beautiful weapon is easily obtained and has a lot of tools for welding. Yet start-up players can think about visiting the Happy Hole mine to get a gatling weapon. In Lucky Hole Minee, all you have to do is to enter the building Lucky Hole. It is important to realize before entering that this building is full of sectors. So bring the best weapon to reward your character with Gatling machine gun. Once there are inside the building, go along the railway lines until you find the blue door. If you want to open this door, you will need a lock, so buy the "main line". Continue running and you will encounter a group of cultures together with the legendary Wrathing cultures. This will drop the desired gatling weapon. The handmade gun is a comfortable but very brutal weapon that all Apple players love. It is suitable for everyday cases associated with Fallout 76 and also has a handmade form, which is very attractive. It is not necessaryThe Swing Rifle audience is one of the classics, but the best Fallout 76 weapons. Although it is a legendary weapon, this weapon can turn into a character that has the advantages of becoming a strong primary rifle. In addition, the game drive allows players to adapt this weapon to improve and maximize losses. The handmade rifle can damage 30 damage by conventional 5.56 balls, which are sufficient in handmade rifle game in terms of damage. On the other hand, players with at least 15 levels can take this weapon from some important drops and get prices from Fallout 76. If your character encounters the 15th stage, you have a high chance to get a hand -made rifle from the enemies of colonists or pisters. The guaranteed weapon is Berkley Springs Salon. All you have to do is go to Berkly Springs and find beauty and spa salon. Berkley Springs Beauty and Spa Salon must go to the roof. If you want to do it, take the stairs and then go to the room with the opening on the wall. You will also find a wooden edge that can bring you to the roof. Once you have reached the top of the building, you can see a wooden cottage with shelves. One of the shelves will be a handmade rifle that you can claim forever. Find out on the roof of a slow rifle of wooded cuckoos, but no less heavy weapons, Fallout 76 is a slow rifle that the enemy is most terrified. In previous games, the weapon has always been awarded for unique energy roles and serious damage. It should not be surprised why players demand this weapon most. For new weapons is a weapon that uses a slow rifle of 2 mm EC, an energy weapon. In addition to the stagnant rifle, the weapon packs the value of damage to 125. However, this is not. If you are an experienced player, you have the opportunity to get a legendary variant with damage with 515. The main requirement of the Gauß rifle has the 35th level. However, the card still has a rare level of emissions and needs a great war to gain it. If you meet a level application, you can be able to fall with a stagnant rifle with Scorchedbeast and Deathcravs. With different searches such as the Line in the Pisek, Armor Awol, Moster Mash and Aire Aire, it is more likely to reward players with a stagnant rifle. If you still can't get itGauss will buy the project for snail rifles to build one alone. You can easily buy a plan from Bot Watoga station. The Watoga Municipal Center Fallout 76 is a game in which you have to make important decisions while fighting some of the most powerful enemies.
