courtesy Paramount's Yellowstone has it all — action, adventure, romance, revenge, history and more. The show focuses on the prestigious Dutton family headed by John Dutton (Kevin Costner) and his Montana ranch. But in the Duttons' world of corruption, greed and conflict with various parties, their legacy is at risk. With a talented cast that features Kelly Reilly, Luke Grimes, Wes Bentley, Cole Hauser, Kelsey Asbille and Danny Huston, it's no surprise it's one of the top shows to stream right now, with fans eagerly waiting for season 5 to drop on November 13, 2022. If you simply can't wait for more episodes of the Western drama, these shows like Yellowstone will help keep you intrigued until the new season drops. Looking for something that captures that big family energy? Try Succession or Sons of Anarchy. Want something with a little mystery and corruption? Walker is for you. Simply want something that encapsulates that small-town feeling? Deadwood is a great pick. And if you have no idea where to start, the Yellowstone prequel series, 1883, which follows the Dutton family before John, Kacey and Beth, is a sure winner. Time to start watching! Advertisement - Continue Reading Below Before there was John, Beth, Kacey and Jamie, there was James, Margaret and Elsa. Starring Sam Elliott, Tim McGraw, Faith Hill, Isabel May, Rita Wilson, Billy Bob Thornton and multiple other familiar faces, 1883 shows Yellowstone fans the very beginnings of the Dutton family empire and how they came to own the land that would become their famous ranch. AmazonApple TVParamount+ Sons of Anarchy follows an outlaw motorcycle club that operates outside of the fictional town of Charming, California, primarily through the eyes of the club's vice president and later president Jackson "Jax" Teller (Charlie Hunnam). The series heavily explores vigilantism, racism and corruption, all while Jax deals with his on-again off-again girlfriend Tara (Maggie Siff), his mother Gemma (Katey Sagal) and the various members of the motorcycle club (Ron Perlman, Kurt Sutter, Ryan Hurst and Tommy Flanagan). AmazonApple TVHulu Private detectives Cody Hoyt (Ryan Phillippe) and Cassie Dewell (Kylie Bunbury) join forces with the former's ex-wife Jenny Hoyt (Katheryn Winnick) to solve the disappearance of two local sisters. But what starts as a seemingly ordinary case turns into a mystery involving drug dealers, cartel members and corrupt officials all set in Lewis and Clark County, Montana. This star-studded cast includes familiar faces like Jesse James Keitel, Jensen Ackles, Brian Geraghty and Sebastian Roché. AmazonApple TVHulu Allegedly inspired by the Murdoch family, Succession is the perfect show to stream if you like power, politics, money, big families and everything in between. This satirical series focuses on the Roys (Jeremy Strong, Kieran Culkin and Sarah Snook), a dysfunctional family known for their massive media and entertainment conglomerate, which the family is now fighting over as patriarch Logan Roy (Brian Cox)'s health starts to decline. Additional members of the cast include Hiam

Abbas, Matthew Macfayden, Nicholas Braun and Alan Ruck. AmazonApple TVHBO MaxHuluRELATED: The Best TV Comedies Streaming on Netflix Right Now In this series full of action, crime and drama, widowed father Cordell Walker (Jared Padalecki) returns home to Austin after a year away mourning the death of his wife (Genevieve Padalecki) hoping to reconnect with his children. Additionally starring Odette Annable, Keeegan Allen and Molly Hagan, this reboot of the classic 1990s Western drama series has twists, turns, murder, greed and so much more. AmazonApple TVHBO MaxHulu Based on the stories of American novelist and screenwriter Elmore Leonard, Justified stars Timothy Olyphant as Raylan Givens, a no-nonsense Deputy U.S. Marshal in Kentucky. Over a span of six seasons, viewers watch as Raylan enacts his own special kind of justice on felons with the help of a cast that includes Nick Searcy, Jacob Pitts, Erica Tazel, Joelle Carter, Natalie Zea, Walton Goggins and Jere Burns. Even more recently, fans of the show were excited to hear that Justified will be returning to TV as a limited series titled Justified: City Primeval.AmazonApple TVHulu Hell on Wheels follows former Confederate soldier Cullen Bohannon (Anson Mount) as he embarks on a journey of revenge in 1865 after his wife is murdered by Union soldiers, all while showcasing the historical construction of the first transcontinental railroad across the United States occurring at the same time. AmazonApple TV Robert Taylor stars as Walt Longmire, a sheriff in the fictional town of Absaroka County, Wyoming, where he spends his time investigating major crimes with the help of his fellow staff members, friends and his daughter. The cast also includes Katee Sackhoff, Lou Diamond Phillips, Cassidy Freeman and Bailey Chase among others. AmazonApple TVHulu What do you get when you mix crime, drama and martial arts? Warrior. Inspired by Bruce Lee and produced by his daughter Shannon, the series follows Ah Sahn (Andrew Julian Hiroaki Koji), a martial arts prodigy who emigrates from China to San Francisco in the 1870s. Set during the Tong Wars, a series of disputes between rival Chinese Tong factions across various American cities, Ah Sahn ends up being sold to one of the most powerful Tongs in Chinatown. AmazonApple TVHBO Max Hulu Created by Taylor Sheridan, co-creator of Yellowstone, and set in the fictional city of Kingstown, Michigan, Mayor of Kingstown follows the influential McLusky family (Jeremy Renner, Kyle Chandler, Dianne Wiest and Taylor Handley) who make their money through the prison system. A thought-provoking crime drama that tackles the real issues of systemic racism, corruption and inequality rampant in the prison system, the series shows the stark experiences that many across the country face.AmazonApple TVParamount+ Based on the best-selling novel of the same name by Philipp Meyer, this limited series tells the story of the rise and fall of a Texas oil empire run by the ruthless Eli McCullough (Pierce Brosnan), a cattle-turned-oil baron back in 1815. Starring Henry Garrett, Zahn McClarnon, Jess Weidner and Paola Núñez, viewers see Eli struggle to keep his business going while also dealing with tense relationships with the local Native American tribes. AmazonApple TVHulu Real-life American outlaw and gunfighter Billy the Kid (Tom Blyth), also known by the name William H. Bonney in the Old West, was a man of murder who killed at least eight men back in the late 1880s before being shot himself at the age of 21. Follow along with the show as we see his short but very adventurous life full of conflict, romance and more on the American frontier. AmazonApple TV Timothy Olyphant, Ian McShane, Molly Parker and Jim Beaver are in the cast of this show set in the late 1870s in Deadwood, South Dakota. The three-season show includes real-life historical figures as characters — like Wyatt Earp, E.B. Farnum, Wild Bill Hickok and George Crook — and focuses on Deadwood before and after annexation by the Dakota Territory.AmazonApple TVHBO MaxHulu Our readers support us. Fortunately, there are plenty of great shows to watch as you wait to learn the fate of the Dutton family. If you are looking for something to binge on in the meantime, these TV shows like Yellowstone are all great options. Whether you want some more cowboy action, are looking for a western period piece, or want a family drama, we have you covered. Here are the best TV shows like Yellowstone to add to your watch list. 1. 1883 If you love the Dutton family dynamic, then 1883 is a must-watch for you. As a prequel series to Yellowstone, 1883 tells the story of how the Dutton family got their land. 1883 starts out with the Dutton family fleeing poverty in Tennessee to start a new life. James Dutton, along with his wife Margaret and children Elsa and John, joins a European immigrant wagon train in Texas that is headed to Oregon. The caravan is led by Shea Brennan, an employee of the Pinkerton Agency and former Union Army captain, along with his crew. The journey is treacherous, as the caravan faces many hardships including bandits, disease, and tornadoes. 1883 is available to watch on the streaming service Paramount+. 2. Mayor of Kingstown Another Taylor Sheridan creation, Mayor of Kingstown is a crime thriller series. While it may not be a Western, it is a compelling family drama. Mayor of Kingstown follows the McLusky family, power brokers in Kingstown, Michigan, where the only successful business is that of incarceration. The show navigates challenging themes such as systemic racism, corruption, and inequality. While the town lacks order and justice, the McLuskys attempt to change that. This show will pull you in, and like with Yellowstone, there is a moral murkiness. Mayor of Kingstown is available to watch on Paramount+. 3. The Last Cowboy Taylor Sheridan tries his hand at reality with his eye-opening series on the competitive world of reining. It offers a glimpse into the preparation that goes into competing at the highest level. The Last Cowboy follows eight men and women who are all competing to win the Run for a Million competition at the South Point Arena and Equestrian Center in Las Vegas. As the richest competition in the sport of reining, Run for a Million offers a prize of \$1 million. From sliding stops to flying lead changes, the series showcases the incredible athletic ability of reining horses. The Last Cowboy is available to watch on Paramount+. 4. Walker Walker is a reboot of the 1990s series Walker, Texas Ranger. The action crime drama is right up the alley for Yellowstone fans. After being undercover for two years as a Texas Ranger, Cordell Walker returns home to Austin. As a widower with two children, he discovers that there is hard work that must be done at home. He must learn to reconnect with his creative son and headstrong teenage daughter. Walker must also navigate the clashes he has with his brother and parents. While finding new common ground with his partner, he grows suspicious surrounding the circumstances of his wife’s death. Walker is available to watch on the CW, Prime Video, Apple TV, and HBO Max. 5. Longmire If you are wanting to watch a modern Western crime drama, Longmire is a great choice for you. The series is based on the Walt Longmire Mysteries novels by Craig Johnson. Walt Longmire is the dedicated sheriff of Absaroka County, Wyoming. As a recent widow, he must put on a brave face with a comedic side, but deep down he is suffering. With the help of his daughter and best friend and confidant Henry Standing Bear, he is committed to getting back to normal. Like Yellowstone, Longmire deals with family struggles in a western setting. It is available to watch on Netflix and Peacock. 6. Outer Range A western series with a unique twist, Outer Range is a great show to add to your watch list. As a science fiction neo-Western, it is truly one of a kind. As the Abbott family is fighting for their Wyoming ranch, Royal Abbott discovers a mysterious black void in a pasture. After this unnerving discovery, Abbott meets Autumn, a drifter with a unique connection to the ranch. While the Abbotts deal with the disappearance of their daughter-in-law Rebecca, they must deal with their rivals, the Tillerson family. All this happens while dealing with an unfathomable supernatural mystery on their ranch. Outer Range is available to watch on Prime Video. 7. Heartland For those who can’t get enough of the horses and ranch life of Yellowstone, Heartland is the show for you. The show is based on the beloved Heartland book series by Lauren Brooke. Included in our best TV series for horse lovers list, Heartland follows Amy Fleming and her older sister Lou at the Heartland family ranch in Alberta. After an unfortunate tragedy brings the family back together, Amy learns she has her late mother’s natural ability to work with horses. While experiencing the good times and struggles of ranch life, the family grows together as they bond. Heartland is available to watch on Netflix, Hulu, Peacock, and Prime Video. 8. Godless For those who are fans of powerful, fearless women like Beth Dutton, Godless is a must-watch. This western drama shares many of the same elements with shows like Yellowstone and 1883. Roy Goode is on the run from his former mentor criminal Frank Griffin and his gang. While on the run, Goode seeks refuge in the town of La Belle, New Mexico, which is populated almost entirely by women. When the women get word that the gang is headed their way, they band together to protect their town. Godless has several strong female charters in a genre that is often male-dominated. Godless is available to watch on Netflix. 9. Hatfields & McCoys Hatfields & McCoys follows the story of one of the most famous family feuds in American history. Yellowstone fans will particularly appreciate the fact that Kevin Costner stars as William Anderson “Devil Anse” Hatfield. Though Devil Anse Hatfield and Randall McCoy were once close friends, a bitter feud formed between the two families after the Civil War. With the Hatfields in Kentucky and McCoys in Virginia, tensions continue to increase, and misunderstandings escalate. Hostilities continue to grow, partially caused by a stolen pig, almost leading to war breaking out. This historical Western drama is great for bingeing in a weekend. Hatfields & McCoys is available to watch on Peacock and Prime Video. 10. Justified A Western crime drama, Justified shares similar themes to Yellowstone. The show is based on Elmore Leonard’s character Raylan Givens, particularly from the story Fire in the Hole. After an incident, U.S. Marshal Raylan Givens is reassigned from Miami to Kentucky. The district he is assigned to happens to be his childhood home, which consists of the poor, rural coal mining towns of eastern Kentucky. Givens prefers to use Wild West-style methods of upholding justice when dealing with criminals, much to the dismay of those around him. The show revolves around the residents and culture of the Appalachian mountains in Kentucky. Justified is available to watch on Hulu and Prime Video. 11. Sons of Anarchy While Sons of Anarchy is not your traditional Western, it shares a lot of similarities with Yellowstone. Both shows have families/gangs that are hard to become a part of and even harder to leave. Jax Teller tries to balance his life as a father and as a member of an outlaw motorcycle club, SAMCRO. However, things become complicated when Teller grows weary of the group’s lawlessness. While the club works to keep drug dealers away, it runs an illegal arms business. Sons of Anarchy deals with many similar themes to Yellowstone including loyalty and betrayal. It is available to watch on Hulu, Disney+, ESPN+, and Prime Video. 12. Deadwood A beloved series, Deadwood is a must-watch for fans of Western period pieces. The show features many real-life historical cowboys including Seth Bullock, Al Swearengen, Wyatt Earp, and Calamity Jane. Deadwood is set in a mining town of South Dakota post-Civil War before it was made a state, making it lawless. The town attracts all sorts of people, including those looking to get rich on gold and those looking to capitalize on the lack of law. This riveting show provides great entertainment for fans of classic Westerns. Deadwood is available to watch on Hulu, HBO Max, and Prime Video. 13. Warrior Warrior brings together crime, drama, and martial arts in a Western period piece. The action-packed show is based on an original story by Bruce Lee. Warrior takes place in the late 19th century in San Francisco Chinatown when brutal gang wars were happening. Ah Sahn, a martial arts prodigy, immigrates from China and becomes a hit man for one of the most powerful organized crime families in Chinatown. Sahn wins the confidence of brothel madam Ah Toy, while also searching for his missing sister. With powerful families and organized crime, it is a show Yellowstone fans are sure to enjoy. Warrior is available to watch on Cinemax, HBO Max, Hulu, Disney+, and ESPN+. 14. The Cowboy Way If you can’t enough of all the cowboy action in Yellowstone, then you will enjoy watching The Cowboy Way. It gives you an in-depth look at what life is like for real-life cowboys. The reality show follows three modern-day cowboys, Bubba, Cody, and Booger, who live in Alabama. They do everything from herding cattle, breaking horses, and operating their cattle business. The cowboys follow a strict code of life passed down from the Wild West. The Cowboy Way gives viewers a fascinating glimpse into the life of modern American cowboys. The show is available to watch on Prime Video and Peacock. 15. Wynonna Earp The Wild West meets the supernatural in the hit series Wynonna Earp. Though it may be different than Yellowstone, it has plenty of western action to fulfill your cravings. The show follows Wynonna Earp, the great-great-granddaughter of legendary lawman Wyatt Earp. Wynonna inherits a unique power to send the reincarnated outlaws that Wyatt had killed back to Hell. Wynonna uses a special gun known as the Peacemaker to fight off supernatural beings and break the curse plaguing her family. This sci-fi series is a great twist on the traditional Western genre. Wynonna Earp is available to watch on Netflix and Prime Video. 16. Joe Pickett With beautiful Wyoming scenery, Joe Pickett is another neo-Western to add to your watch list. It shares many similar themes with Yellowstone. Game warden Joe Pickett and his family navigate life in a small, rural town with a changing political and socioeconomic climate. With the town on the verge of collapsing economically, a murder victim shows up on Joe’s doorstep. The Pickett family finds themselves tangled up in a larger conspiracy while the town continues to struggle. Joe Pickett is available to watch on Paramount+. 17. Ozark OZARK If you enjoy the crime family aspect of Yellowstone, then Ozark will be right up your alley. In this crime drama series, the Byrde family is just as riveting as the Dutton family. After a money laundering operation with a drug cartel goes wrong, Martin Byrde moves his family from Chicago to the Missouri Ozarks. In the Ozarks, Martin sets up a bigger laundering operation to amend the debt. While in Missouri, he becomes entangled with local criminals. The compelling family dynamic interviewed with criminal activity makes Ozark well worth the watch for Yellowstone fans. It is available to watch on Netflix. 18. Succession Just like Yellowstone, Succession deals with family, power, and politics. Essentially, it is the East Coast counterpart of Yellowstone. Succession follows the Roy family who owns Waystar Royco, the biggest media and entertainment company in the world. However, the dynamic changes when Logan Roy steps down from power due to his failing health. His children, Connor, Kendall, Roman, and Shiv, begin to seek prominence within the company. This satirical black comedy drama is perfect for bingeing while you wait for the next season of Yellowstone. Succession is available to watch on Hulu, HBO Max, and Prime Video. 19. Big Sky If you love the beautiful Montana scenery of Yellowstone, you will enjoy watching Big Sky. It is based on The Highway series of books by C. J. Box. Private detectives Cassie Dewell and Cody Hoyt join forces with Jenny Hoyt, Cody’s estranged wife. The trio works together to search for two sisters who have been kidnapped on a remote Montana highway by a truck driver. Upon discovering these are not the only local girls who have disappeared, they must find who is behind the kidnappings before another woman goes missing. The search intensifies, and the mystery deepens as they learn drug dealers, cartel members, and corrupt officials are all involved. Big Sky is available to watch on Hulu and Prime Video. 20. The Son If you are wanting to watch a period piece Western, The Son has you covered. The show is based on the 2013 novel of the same name by Philipp Meyer. After being kidnapped and raised by Comanches, Eli McCullough becomes a powerful and relentless oil businessman. Despite hardships, Eli works to keep his business empire in hopes to pass it on to his children and grandchildren. Like John Dutton, Eli can be a ruthless businessman and father, who hopes all his hard work will stay in the family. The Son is available to watch on Prime Video and Hulu.
